WHO IS *Foster Village Peoria*

Mission

Foster Village Peoria bridges the gap in services and supports by meeting tangible needs, providing educational and emotional needs, and advocating as a collective voice.

Vision

A strong support system surrounding each resilient child affected by foster care.

WHAT IS *foster care?*

Foster care is meant to be a temporary solution in which adults care for children when their parent is unable to do so. In Illinois, there are over 22,000 children currently in foster care, residing in foster homes, kinship homes, and residential facilities.

IMPACT OF *foster care*

Over 80% of children affected by foster care have mental health struggles. Research shows that stable, healthy relationships with caring adults can impact and even prevent the damaging effects of trauma while navigating a broken system results in 50% of foster parent turnover.

OUR THREE PILLARS

Equip

Providing essential resources to support children and families affected by the foster care system through:

Welcome Packs

Providing essential items to support families with new placements and reunification. Welcome bags value between \$200-\$350 each.

Special Requests

Providing one-time larger items, such as bunk beds, twin beds, and car seats to support new placements or reunification.

Project Soothe

Equipping caregivers with trauma knowledge, training, and sensory items for children with sensory needs.

Educational Trainings

Bringing knowledge and tools from community professionals to families in need.

Connect

Foster Village Peoria fosters connection by bringing together families, providing holistic support and ensuring dignity for all through:

Support Gatherings

Safe places for caregivers to process experiences, gain tools, and be supported. By providing dinner and on-site childcare the families can relax and focus on connecting with others.

Visit Room

A welcoming, neutral, safe place for supervised visitations, offering privacy and dignity to families.

Youth Connect Events

Fun events hosted in the community for families affected by foster care to enjoy, but also creating a private and safe space for children with trauma to play and connect with other kids.

Advocate

Foster Village Peoria builds awareness and activation in the foster care system for prospective foster parents and community advocates by:

Community Trainings

Hosting trainings in our space to grow our village of advocates and increase awareness in our community.

Volunteers

Connecting individuals and groups with opportunities to support the foster care system without becoming foster parents.

Partnerships

Engaging other organizations to educate the community about foster care, as well as connect them with opportunities to provide support. We collaborate with local foster agencies as well to be able to fill gaps in the community and help all affected by the foster care system.

Bringing dignity to the system

Partner with Purpose

Our Sponsors make our programs possible! Why sponsor?
